Señor

JUEZ 43 CIVIL DEL CIRCUITO DE BOGOTÁ

Despacho

REF. Proceso ejecutivo a continuación de verbal de **ANA MARÍA OSPINA BOZZI y OTRAS** contra **EDIFICIO CALLE 86 No. 11-51 PROPIEDAD HORIZONTAL**

Rad. 2015-1162

Asunto. Recurso de reposición

En mi calidad de apoderado de la parte ejecutada en el proceso de la referencia, por medio de este escrito interpongo recurso de reposición en contra de la providencia de fecha 16 de diciembre de 2021, notificada por estado de fecha 11 de enero de 2022 por medio de la cual rechaza la liquidación realizada por parte del suscrito, así como también la objeción formulada por parte del apoderado de la parte ejecutante en los siguientes términos:

1.

MANIFESTACIÓN PREVIA

Las sumas de dinero necesarias para atender el pago de las obligaciones derivadas de la condena en costas, así como también de las agencias en derecho, se encuentran a órdenes de su Despacho. Es del mayor interés de mis representadas que este pago se realice, con el objeto de poner fin a este proceso y que consecuentemente se desembarquen los bienes que han sido objeto de esta medida cautelar por parte del Juzgado. Por lo anterior, solicitamos que una vez resuelto lo pertinente se proceda de forma inmediata a hacer entrega de los dineros a la parte ejecutante y se ordene el levantamiento de los embargos que pesan sobre bienes de propiedad de mis representadas.

2.

PETICIONES DEL RECURSO

En virtud de la interposición de este recurso respetuosamente solicito a su Despacho lo siguiente:

1. Revocar parcialmente su decisión, en cuanto a ordenar nuevamente proceder a la liquidación del crédito y;
2. De conformidad con lo establecido en el artículo 446 del CGP; (i) determinar el valor de la liquidación del crédito, señalando por medio de auto el valor que de la misma es adecuada, (ii) ordenar la entrega a la parte ejecutante en este proceso de las sumas de dinero que se encuentran órdenes del Juzgado y; (iii) ordenar el desembargo de los bienes que fueron objeto de esta medida cautelar.
3. En subsidio de esta petición, adjunto una nueva liquidación del crédito, teniendo en cuenta sus designios de dar aplicación a lo establecido en el artículo 1617 del Código Civil, con el objeto de que, en aras de la economía procesal, de estimar que este recurso es improcedente se resuelva de inmediato lo referente a la liquidación del crédito y se proceda a la entrega de dineros a la parte ejecutante, poniendo fin a este proceso.

3. **FUNDAMENTOS DEL RECURSO**

El suscrito presentó la liquidación del crédito dentro de este proceso mediante memorial. Dentro del término del traslado, la parte ejecutante presentó una objeción a la misma por no estar de acuerdo con su contenido.

En virtud de lo dispuesto por el numeral 3 del artículo 446 del CGP el Juez debe decidir si aprueba o modifica la liquidación del crédito mediante auto que puede ser objeto de recurso de apelación si resuelve la objeción o altera de oficio la cuenta respectiva.

Estimo que la norma en cita, impone al Juzgador el deber de aprobar o modificar la liquidación presentada, en este último caso acogiendo la objeción formulada o alterando la cuenta presentada por la parte que hubiere puesto en conocimiento la liquidación del crédito. El referido artículo prevé que se proceda de esta manera para dar celeridad en los procesos y que una vez señalada la suma por parte del Juzgador, se proceda o bien al remate de bienes, o en el caso que nos ocupa a la entrega de dinero a la parte ejecutante.

No hacerlo de esta manera, podría llevarnos a la indeseable situación de que este asunto no se resuelva de forma definitiva, imponiendo orden tras orden el deber de realizar sucesivas liquidaciones del crédito y que, consecuentemente, el proceso no pueda darse por terminado existiendo como existen en este caso las sumas de

dinero para atender los designios del Despacho en cuanto a la entrega del dinero a la parte ejecutante para que, una vez efectuado el mismo se proceda con el levantamiento de las medidas cautelares decretadas.

Por las anteriores razones estimo se debe revocar parcialmente su providencia. En subsidio de lo anterior, solicito se sirva tener en cuenta la liquidación que se presenta de forma simultánea y que pongo en conocimiento de la parte ejecutante para que se pronuncie respecto de la misma si a bien lo tiene.

Del señor Juez, atentamente;

CARLOS ALFONSO LÓPEZ ARROYO

C.C. 79.941.970 de Bogotá

T.P. 106.655 del C.S de la J

Atentamente;
