Funza, Cundinamarca. Quince (15) de diciembre de dos mil veintidós (2022)

EJECUTIVO LABORAL – EJECUCIÓN SENTENCIA – 25286-3105-001-2011-00064-00

DEMANDANTE: LILIANA INÉS LARA CAMACHO y OTROS

DEMANDADO: C.I. TROYAL LTDA

Seria del caso aprobar la actualización de la liquidación del crédito presentada por el apoderado judicial de los señores 1) Lilia Inés Lara Camacho, 2) Clara Arias Vela, 3) Blanca Lilia Acosta Acosta, 4) Clara Inés Muñoz Tópaga, 5) Rut Mirian Cubillos Sabogal, 6) Amelia Torres Molina, 7) Esperanza Triana Otalora Camacho, 8) Myriam Rodríguez, 9) Doris Sanchez Quintero, 10) Ángel María Fuentes Torres, 11) Gloria Lucia Cristancho Rincón, 12) Laura Mary Méndez Hoyos, 13) Gloria Alicia Ortiz Rojas, 14) Aracely Sánchez Quintero, 15) Alba Nydia Duran Acosta, 16) Luz Mery Ortiz Rojas, 17) Emma Beltrán González, 18) Martha Torres Ramírez, 19) Maura Elina Ortega De Fique, 20) Epifanio Rodríguez Rodríguez, 21) José Fenibal López Salazar, 22) José Editson Yate Barrios, 23) José Orlando Moscoso Maldonado, 24) Paulo Emilio Garibello Téllez, 25) José Daniel Wilches Riveros y 26) Luis Fernando Ramírez Trompa, si no fuera porque el despacho advierte que, las diferentes liquidaciones presentadas y aprobadas contienen errores, como se pasa explicar a continuación:

Sea preciso, señalar que en la sentencia proferida el 13 de mayo de 2011 el Juzgado Civil del Circuito de Funza dispuso para todos y cada uno de los demandantes, incluyendo a señora María Tavera, quien se encuentra representada por la abogada Rosmery Enith Rondón Soto, el pago de salarios insolutos por valor de \$1.812.126,00, el pago de una indemnización por despido sin justa causa tasada particularmente para cada demandante, el pago de la indemnización moratoria de que trata el art. 65 del C.S.T. desde el 14 de diciembre de 2010, e intereses a la tasa máxima de crédito de libre asignación certificada por la Superintendencia Financiera de Colombia a partir del 15 de diciembre de 2012 «sobre las sumas adeudadas».

Mediante audiencia celebrada el 24 de noviembre de 2015 el Juzgado Civil del Circuito de Funza, declaró infundadas las excepciones perentorias formuladas por la parte pasiva, ordenó seguir adelante la ejecución y ordenó a las partes presentar la liquidación del crédito.

Así las cosas, la apoderada judicial de la demandante MARÍA TAVERA, y el apoderado judicial de los restantes demandantes, presentaron sendas liquidaciones de crédito, las cuales, fueron aprobadas mediante autos de 14 de abril de 2016 y 26 de enero de 2017, respectivamente.

Pese a lo anterior, advierte este despacho un indebido cálculo en las liquidaciones efectuadas por los apoderados de los demandantes, incurriendo en los siguientes yerros:

1. INDEBIDA TASACIÓN DE LA SANCIÓN MORATORIA.

Al respecto, es preciso señalar que el fallo de primera instancia, el cual fue modificado parcialmente por la Sala Laboral del Tribunal Superior de Distrito Judicial de Cundinamarca, dispuso para cada uno de los demandantes lo siguiente:

«indemnización moratoria: \$20.124,73 desde el 14 de diciembre de 2010, hasta que se paguen los salarios y prestaciones sociales adeudados. A partir del 15 de diciembre de 2012 se causan intereses a la tasa máxima de créditos de libre asignación certificada por la Superintendencia Bancaria, sobre las sumas adeudadas».

Pues bien, la sanción moratoria liquidada está incorrectamente por ambos apoderados, comoquiera que, contrario a lo señalado en la sentencia, multiplicaron la cifra de \$20.124,73 por cada día desde el 14 de diciembre de 2010, sin límite alguno, y de forma concomitante a lo anterior, a partir del 15 de diciembre de 2012, liquidan además intereses a la tasa máxima.

Así las cosas, conforme a la sentencia proferida, lo correcto es liquidar la sanción moratoria a razón de \$20.124,73 diarios desde el 14 de diciembre de 2010 hasta el 14 de diciembre de 2012, y a partir del 15 de diciembre de 2012 en adelante intereses «a la tasa máxima de créditos de libre asignación certificada por la Superintendencia Bancaria», hasta que el demandado efectúe el pago de los salarios y prestaciones sociales.

Ahora bien, se incurre en otro error al efectuar el cálculo de los intereses moratorios, incluyendo el valor de la indemnización por despido sin justa causa, cuando ni la norma, así como tampoco la sentencia lo ordenó de esa forma.

Entonces, para clarificar como debe practicarse la liquidación de la sanción moratoria, se precisa que, como ya se mencionó, de acuerdo con la sentencia de 13 de mayo de 2011, debe multiplicarse la suma de \$20.124,73 por cada día durante 24 meses, luego, a partir del primer día del mes 25, sobre las sumas adeudadas, las cuales para el presente caso corresponden al valor de los salarios insolutos, es que deben calcularse los intereses moratorios.

Conforme a lo anterior, el despacho advierte los siguientes yerros cometidos por la apoderada de la demandante María Tavera:

- i) Multiplicó, sin límite de tiempo, la suma de \$20.124.73.
- ii) Calculó los intereses moratorios del art. 65 del C.S.T. a partir del 15 de diciembre de 2012, teniendo en cuenta para ello, la sumatoria entre el valor arrojado por concepto de salarios insolutos y el resultado de la multiplicación de los días de mora de cada mes, a razón de 1.5 veces el interés bancario corriente.

Por su parte, el apoderado de los demandantes restantes incurrió en los siguientes yerros en la liquidación inicial presentada el 25 de mayo de 2016:

- i) Multiplicó, sin límite de tiempo, la suma de \$24.124.73.
- ii) Desde el primer día, es decir, desde el 15 de diciembre de 2012, tomó como base para calcular intereses moratorios, el valor arrojado de la multiplicación anterior calculado hasta el 31 de mayo de 2016, lo cual generó sumas exorbitantes, los cuales no

corresponden a lo dispuesto en la sentencia de primera instancia, misma que fue modificada parcialmente por el superior.

iii) Con cada actualización del crédito procedía de igual forma.

Conforme a lo anterior, resulta necesario indicar que, para obtener el valor de la sanción moratoria, lo correcto era haber multiplicado la suma de \$20.124,73 por cada día durante 24 meses, comprendidos entre el 14 de diciembre de 2010 y el 14 de diciembre de 2012, y luego, haber calculado intereses sobre la suma reconocida por concepto de salarios insolutos, desde el 15 de diciembre de 2012, a la tasa del intereses bancario corriente simplemente, es decir, sin calcularlos a 1,5 veces, pues no se trata de una obligación comercial que deba regirse por el Código de Comercio, sino por el art. 65 del C.S.T.

Los yerros cometidos conllevaron a que la apoderada judicial de la señora María Tavera calculara una liquidación por valor de \$41.980.750,86, y que el apoderado de los demás demandantes hiciera lo propio por un valor inicial de \$2.186.382.738,63, y posteriormente, con la última actualización del crédito por valor de \$6.308.612.160,10, lo cual resulta absurdo por estar muy por encima de los valores reales.

Por lo tanto, teniendo en cuenta los anterior, el despacho procede a modificar las liquidaciones del crédito presentadas por los apoderados judiciales, como se muestra a continuación, teniendo en cuenta para ello, la sentencia de 13 de mayo de 2011 modificada parcialmente por el fallo proferido en segunda instancia por la Sala Laboral del Tribunal Superior de Distrito Judicial de Cundinamarca, así:
